

Nevada State Board of **NURSING**

Instructions for Completion and Submission of Fingerprint Card

If you download an application from the Board’s website, a fingerprint card will be mailed to you upon receipt of your application in the Board office. If you request an application by mail, a fingerprint card will be included in that packet. You may choose to submit the fingerprint card at the same time as your application but it isn’t necessary to do so.

1. All applicants must complete a fingerprint card (Form FD-258) provided by the Nevada State Board of Nursing (the Board);
OR
If you fingerprint in Nevada, you may choose to have your fingerprints submitted via electronic transmission (livescan) instead of submitting a card. *Electronic transmission is only available if you have your fingerprints captured in Nevada.*
2. Complete the information block on the card, and make sure it is legible: **last, first, and middle names; signature; residence** (complete address); **citizenship; date of birth; place of birth; sex; race; height; weight; eyes; hair;** and **Social Security number** (if you have one). Cards without these information blocks completed are considered “incomplete” and will be returned to the applicant. Illegible cards cannot be processed.
3. Fingerprinting on the Board’s coded card may be done by a law enforcement agency in any state or by a private fingerprinting service. (The Board’s website www.nevadanursingboard.org has a list of Nevada fingerprinting locations that offer electronic submission as well as fingerprinting on cards.) The Board provides fingerprint capture **by appointment** in its offices.
4. Complete and detach the form on the reverse side, and send the fee and completed fingerprint card to the address below. If you have your fingerprints submitted by electronic submission, you will make payment to the agency that captures your fingerprints, but you must send a copy of your receipt to the Board.
5. **Be sure:**
 - You have your fingerprints captured at an in-state (NV) livescan location (recommended); **OR**
 - A fingerprint card is completed and the card is not folded, torn or damaged in any way.
 - The Information block is complete and legible
 - The card is signed by the appropriate persons (applicant and official)
 - The coded card (Form FD-258) provided by the Board is used exclusively

Please note: If you have previously been fingerprinted for your place of employment or another board of nursing, we are unable to use those results. Federal law prohibits the sharing of fingerprint information. You will need to be fingerprinted specifically for the Nevada State Board of Nursing.

WARNING: Due to various factors, it may take up to four months for the Board to receive the official fingerprint results from the Department of Public Safety and FBI. A permanent license/certificate will not be issued prior to receipt of both fingerprint reports. A temporary license cannot be extended beyond the 6-month expiration date. You are urged to fingerprint early in the application process.
